Landmark Conference Format

1. Conference Format & Schedule

1.1. **Regular Season**. This phase consists of a best-of-three single round robin, with each team playing each other team once. Starting side choice will be randomly predetermined such that each team has first side choice in half their games.

1.2. **Regular Season Tiebreaker**. In the event that multiple teams are tied in the standings at the conclusion of the Regular Season (as defined as having the same number of matches won), then any teams so tied will have their ties broken by head-to-head record. Any ties that cannot be broken in this fashion will be broken by fastest average win time.

1.3. **Conference Playoffs**. This phase consists of a two-round single elimination tournament among the top four teams based on Regular Season win record and tiebreaker (if applicable). The finals will be held live, with information to be shared at a later date. The winner will advance to the College Championship based on Section 2 of the College Championship Rules.
