B. Tournament Registration:

- i. **Registration Period:** To participate in the Tournament you must register during the registration period indicated above.
- ii. **Individual Registration:** During the Registration Period, all players must register through Battlefy to participate. Visit battlefy.com/splatoon2 and follow the links and instructions to complete and submit the registration form, which may include, among other things, your full first and last name, date of birth, email address, in-game name, 12-digit Nintendo Switch Friend Code, Nintendo Account user ID and Nintendo Switch Support ID number. Each member of a Team must register to join the Team through battlefy.com and must agree to the Official Rules.
- iii. **Teams:** Each Team will consist of 4 players and up to one optional alternate player (a "Team"). The alternate, if any, must be identified during the Registration Period before the start of the Tournament. Alternates may be swapped in-between games but must be in the game before the game begins. The Team captain ("Captain") should register a Team via Battlefy and invite the other Team members to join the Team through Battlefy prior to the Tournament. Captain must provide accurate Nintendo Switch Friend Code and other information requested by Battlefy
- iv. **Limits:** Each player may only be on one Team across all four Modes. Multiple entrants are not permitted to share the same email address or Nintendo Account user ID. Use of any robots or other system to automate participation, or otherwise participate unfairly, is prohibited and may result in disqualification in Sponsor's discretion. In the event of a dispute as to any registration, the authorized account holder of the email address or Nintendo Account user ID used to register will be deemed to be the entrant. The "authorized account holder" is the natural person assigned an email address by an Internet access provider, online service provider or other organization responsible for assigning email addresses for the domain associated with the submitted address.
- v. **Check-In:** The Captain of each Team must "Check-In" for the Tournament during the hour leading up to the start of the Tournament. The check-in step can be fulfilled from the Tournament portal located at this link: battlefy.com/splatoon2. The Captain will have 10 minutes after each match starts to click "Ready Up" on Battlefy.com and begin setting up the game. If a match has not started within 15 minutes after the round has opened, the Captain is expected to contact support using the "Report Match Issue" button. Support must also be contacted in case of delays during a match. If a match has not been completed 40 minutes after the round has opened and no contact with support has been made by either Captain, both Teams will be disqualified. During the Tournament, one representative from each Team must be in the support chat located at this link: <https://discord.gg/jquWdGR>.
- vi. **Hosting:** The Teams should mutually agree upon who will host considering the fact that the player from the Team with the most stable and fastest internet connection (wired internet connection is preferred) should host. If the Teams cannot agree upon who should host or if there is a dispute on which Team should host, then the Team with the higher seed number (if any) will host. Captains must become friends with one another by adding each others' Friend Codes and accepting the friend request. The list of Friend Codes for each Team will be located on the match page accessible from the Battlefy tournament bracket or the player guide accessible from any page on the tournament. The host must be a player from one of the two Teams. Players participating in Spectator View cannot act as host. The host for each match will create a Private Battle and all other players on the two Teams participating in the match will join the Private Battle room. The host is encouraged to create a Password for the room and share with opposing Team to limit non-participants from accidentally joining, but this is not required. Players using Spectator View in a match must not be members of either Team, including alternates.

- vii. **Disconnection:** If a player disconnects during a game after at least 5 seconds have transpired, the Team must finish the game without that player. If a disconnection occurs in the first 5 seconds of a match, the match must be restarted. In the event of a dispute, the Team that experiences the disconnection is responsible for providing video evidence of the disconnection via the Nintendo Switch Capture feature.
- viii. **Verification:** Your Team will not be eligible for a Tournament prize until you are verified by Sponsor, you complete and return any Release Forms (defined below) requested by Sponsor, if any, and you follow the instructions contained in the notification received by Sponsor.
- ix. **Alternate Winners/Finalists/Tiebreaker:** Captains must provide screenshots of the results screen including percentage inked using the in-game capture feature in order to be eligible for this tie breaker. In the event of a further tie alternates will be determined at Sponsor's discretion.

IV. TOURNAMENT STRUCTURE, WINNERS, AND SCORING

A. Structure

- Mode:
 - Rainmaker: July 10, 2021
 - Splat Zones: July 17, 2021
 - Tower Control: July 24, 2021
 - Turf War: July 31, 2021
- One-on-One (1 Team vs. 1 Team), Best-of-3, Ladder
 - All Teams who register for the ladder will be eligible to queue for a match at any time during the four (4) hour open play period.
 - A minimum number of five (5) matches ("Minimum Match Threshold") must be played by a Team for their leaderboard entry to be valid. If less than eight (8) Teams play five (5) matches, then the Minimum Match Threshold will drop as needed to reach eight (8) Teams, provided that:
 - Teams with a minimum of five (5) matches played will be placed higher on the leaderboard than those with less than five (5) matches played even if those that played less matches have a higher win-loss differential.
 - For Teams that play under five (5) matches, Teams that have played more matches will be placed higher on the leaderboard than those that have played less matches even if those that played less matches have a higher win-loss differential.
 - Matchmaking in the ladder will preferentially select Teams with similar scores in the current play period.
 - Leaderboard placement is based on win-loss differential, where one match win equates to +1 points and one match loss equates to -1 points.
 - Ties on the leaderboard will be broken in the following order:
 - If the win-loss differential is tied, the Team with the most matches played will receive the higher ranking on the leaderboard
 - If the Teams have the same number of matches played, the Team with the highest amount of game wins will receive the higher ranking on the leaderboard
 - If the Teams have the same amount of game wins, the Team with the lowest amount of game losses will receive the higher ranking on the leaderboard.
 - If there are two Teams that have the same amount of game losses, Battlefy will moderate a single game between those two Teams and the winner of the game will be placed higher on the leaderboard. If there are more than two Teams that have the same amount of game losses, Battlefy will moderate a round robin to determine placement on the leaderboard.

B. Rules:

- All registered Teams will participate in a ladder in the specified Mode for each Tournament day. Each match will be best of 3 games. The four (4) highest ranking Teams (each a "Winning Team") from each Mode will be potential prize winners. Teams will be ranked depending on their placement in the ladder.

- o Teams will play up to three (3) games to determine the winner of the match.
- o Teams will report their score to Battlefy as described in these Official Rules.
- o In the event of a tie in a single game, the winning team will be determined by in-game decision.
- o If there is a dispute, Battlefy will moderate and if Battlefy determines that the result is still unclear, Battlefy will moderate a rematch.

VIII. GENERAL TERMS AND CONDITIONS

The Tournament and these Official Rules shall be governed, construed and interpreted under the laws of the State of Washington, U.S.A. Players agree to be bound by these Official Rules and by the decisions of Sponsor, which are final and binding in all respects. Sponsor reserves the right to change these Official Rules at any time, in its sole discretion, and to suspend or cancel the Tournament, or any part thereof, or any player's participation therein, for any reason, including, without limitation, if viruses, bugs, unauthorized human intervention or other causes beyond Sponsor's control affect the administration, security or proper execution of the Tournament or Sponsor otherwise becomes (as determined in the Sponsor's sole discretion) incapable of running the Tournament as planned. THE DATES, TIMES, LOCATIONS, AND PRIZES ARE SUBJECT TO CHANGE, WITHOUT NOTICE, AT SPONSOR'S SOLE DISCRETION. Sponsor will not be responsible for problems with the gaming or other Tournament equipment. In the event of the ROM freezing or other equipment, hardware or software failure during one of the Tournament games/rounds, Sponsor may take whatever action it determines necessary or desirable (in the sole discretion of the Sponsor) to correct or remedy the failure or impact thereof, including but not limited to switching to a different system on-stage and/or restarting the game/rounds with the same or similar settings.

Any delay or failure of Sponsor to perform its obligations under these Official Rules, including, without limitation, with respect to fulfillment of the prize or any part thereof, shall be excused to the extent that such delay or failure is caused by an event or occurrence beyond Sponsor's reasonable control, including, without limitation, acts of God, actions by governmental authorities, fires, floods, storms, earthquakes, inclement weather, pandemic, natural disasters, riots, wars, terrorism, or labor disputes.

Each player participating in the Tournament (and the parent and legal guardian of each, if a Minor) represents and warrants to Sponsor that the player's participation in the Tournament will not reflect negatively on Sponsor, its brands, products or services. All players (and if player is a Minor, player's parent or legal guardian) agree to behave in an appropriate and respectful manner towards other participants, spectators, press and any members of event staff. Unsportsmanlike conduct (e.g. excessive trash talking, disruptive behavior) may result in an immediate disqualification from the Tournament, in the sole discretion of the Sponsor.

Players who violate these Official Rules, tamper with the operation of a Tournament or engage in any conduct that is detrimental or unfair to Sponsor, the Tournament or any other player (in each case as determined in the Sponsor's sole discretion) may be subject to disqualification from the Tournament.

Sponsor reserves the right to disqualify persons whose eligibility is in question, who do not comply with these Official Rules, who are otherwise ineligible to participate in the Tournament, or for any other reason determined in the Sponsor's sole discretion. Persons who tamper with or abuse any aspect of the Tournament or related websites, as solely determined by the Sponsor, will be disqualified, and Sponsor reserves the right to terminate such player's eligibility to participate in this or any other promotion offered by Sponsor. Entries generated by robotic, programmed, script, macro or other automated means or by any means which subvert the entry process will be disqualified. Should any portion of the Tournament be, in Sponsor's sole opinion, compromised by virus, worms, bugs, non-authorized human intervention or other causes which, in the sole opinion of the Sponsor, corrupt or impair the administration, security, fairness or proper play, or submission of entries, Sponsor reserves the right at its sole discretion to modify, suspend or terminate the Tournament, and determine winners from all non-suspect, eligible player entries received prior to action taken or as otherwise deemed fair and appropriate by Sponsor.

All players, including winners, may be required to sign and return releases, tax forms or other documents requested by Sponsor (collectively, the "Release Forms"). If a potential winner cannot be contacted, is ineligible or disqualified, or fails to timely return the completed and executed Release Forms as required by Sponsor, the winner's status may be forfeited and an alternate winner may, at Sponsor's discretion, be designated, provided sufficient time remains to verify an alternate winner; otherwise, prize will not be awarded.
